Principal: Stefanie Brown / Assist. Principal: Melanie Arcand

Re: Parents/Guardians of Early Intervention and Kindergarten Children

We realize that this year there may be even more anxiety associated with your child's upcoming school year, so we want to provide you with information as to what scheduling will look like at FMCS.

- We will only be able to offer one class of Early Intervention this year, beginning on September 21, with days running from 9:00 a.m. to 11:45 a.m. This may mean we need to prioritize student acceptance depending on numbers.
- Kindergarten classes will alternate between a Monday/Wednesday class and a Tuesday/Thursday class with alternating Fridays, and run from 9:00 a.m. to 2:30 p.m. Please see the calendar attached to our Kindergarten Parent Handbook for further details.
- Mrs. Garrett will now be teaching Early Intervention and Miss Grey will now be teaching Mrs. Garrett's kindergarten class.

Although parents are not permitted in the building this year, we want all of our ECS parents/guardians to have the experience of walking their children to their classrooms on the first day of school. Therefore, we are implementing a staggered start schedule so that we can allow parents to experience the first day with their child, while ensuring we keep visitor numbers at a minimum. Your child's teacher will contact you to let you know which class your child is in and which of the dates below you and your child can come to familiarize yourselves with the classroom and routines.

Monday/Wednesday Kindergarten class - Sept. 9, 14, 16 or 18

Tuesday/Thursday Kindergarten class - Sept. 8, 10, 11 or 15

Early Intervention - Sept. 21, 22, 23, or 24

We do require parents/guardians to wear a mask, sanitize upon entering the building, and a maximum of two adults can accompany a child (no siblings please). We look forward to continuing to support our students and their families while working to ensure everyone's safety.

Sincerely,

A handwritten signature in blue ink that reads 'Stefanie Brown'.

Stefanie Brown
Principal, FMCS
