

"R E A D Song" FMCS Time-to-Read Club

"Young kids, take a book off that shelf."

I said, "Young kids, do some good for yourself.

You can read it, and I'm sure you will find many great

adventures waiting...

waiting for you inside that book."

I said, "Waiting, if you just take a look. You can read it, and

I'm sure you will find your imagination working..." (5 beats)

"It's time to read a book-

R E A D"

I said, "Read a book. R E A D (2 beats of silence)

Take a book off that shelf; do some good for yourself.

You can read it both night and day. It's time to read a book-

R E A D"

I said, "Read a book. R E A D (2 beats of silence)

Take a book off that shelf; do some good for yourself.

You can read it both night and day."
